

Carbon RX expands in the Prairie Market

Regina, Saskatchewan – May 2, 2022 – **Carbon RX Inc. (“Carbon RX”)** proudly announces the appointment of Steve Lajoie to Regional Manager - Business Development for Manitoba.

Steve Lajoie is a proud member of the Muskeg Lake Cree Nation and is an avid hockey player. After playing Junior hockey in Manitoba, Steve played abroad in Passau, Germany and in North and South Carolina.

For the past several years Steve worked with the Manitoba Junior Hockey League and Rise Hockey to develop youth and minor hockey in Manitoba. He has been influential in traveling to many Indigenous communities to grow the game.

Steve brings with him 20 years of experience as a professional arborist and comes from a family with over 60 years of history in forestry and tree management. His deep knowledge in forestry strengthens Carbon RX’s leadership in nature-based carbon capture.

“Steve will be essential in our growth plans in Manitoba. His balance of relationship management skills, tree expertise and care and attention to the environment makes him a timely addition to the Carbon RX family.”, commented Marty Seymour, Chief Operating Officer.

Forward Looking Statements

This news release contains "forward-looking information" within the meaning of applicable Canadian securities legislation, which are based upon Delta CleanTech Inc. and Carbon RX current internal expectations, estimates, projections, assumptions and beliefs and views of future events. Forward-looking information can be identified by the use of forward-looking terminology such as "expect", "likely", "may", "will", "should", "intend", "anticipate", "potential", "proposed", "estimate" and other similar words, including negative and grammatical variations thereof, or statements that certain events or conditions "may", "would" or "will" happen, or by discussions of strategy. Forward-looking information include estimates, plans, expectations, opinions, forecasts, projections, targets, guidance, or other statements that are not statements of fact. Specifically, this news release contains forward looking information relating to the future employment of Steve Lajoie as Regional Manager of Carbon RX's business development, the partnership and collaboration between Carbon RX and First Nations, and the ability to effectively reduce carbon dioxide and methane emissions.
